

## Verve Cloud Earns Designation as a Great Place to Work-Certified™ Company

San Diego, CA – January 23, 2020 – Verve Cloud, a nationwide cloud-based voice, internet and unified communication service provider, announced today that it is Great Place to Work-Certified™. The Certification is a significant achievement and places Verve with an elite group of companies that create and maintain amazing company cultures. By using validated employee feedback gathered with Great Place to Work's rigorous, data-driven methodology, the Certification showed that 100% of Verve's employees reported that they have a consistently positive experience at Verve. Great Place to Work is the global authority on workplace culture, employee experience and the leadership behaviors proven to deliver market-leading revenue and increased innovation.

"We are thrilled to be Great Place to Work-Certified™," says Derek Gietzen, President at Verve Cloud "Our #1 core value is to value people and relationships and we work to make great employee experiences a priority every day. Patti Cuthill, Director of People & Culture added, "This is important to us because we know that when our employees have a high-trust experience every day they are going to find more enjoyment and fulfillment in their jobs and will strive to create positive experiences for our partners and clients."

"We congratulate Verve, on their Certification," said Sarah Lewis-Kulin, Vice President of Best Workplace List Research at Great Place to Work. "Organizations that earn their employees' trust create great workplace cultures that deliver outstanding business results."
